# 2018/19 Compartment Assessments

for Forest Management Units F14, F26, P19, P21

## Abstract

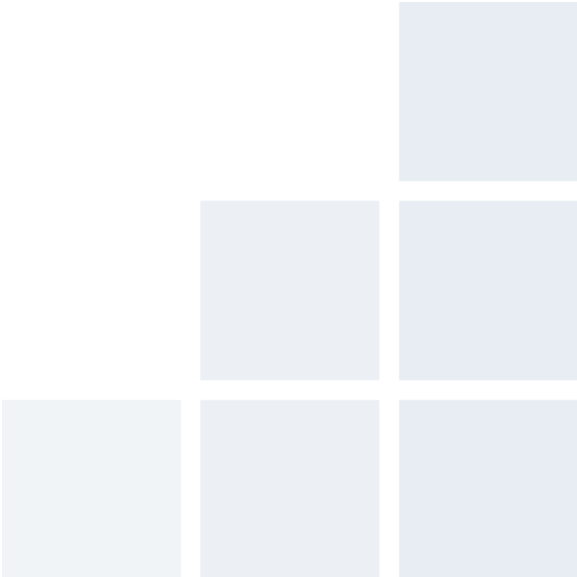

A report to address significant issues or information that have arisen since the approval of the Forest Management Plan.

Submission: October 31, 2018

TABLE OF CONTENTS

5 COMPARTMENT ASSESSMENT .....5-1

## 5 COMPARTMENT ASSESSMENT

A Compartment Assessment will be completed as requested by Alberta to address new issues or information since the Forest Management Plan approval making the spatial harvest sequence inappropriate. A Compartment Assessment describes how issue or information will be incorporated into a Forest Harvest Plan.

The Companies have not been directed by Alberta to complete a Compartment Assessment within Forest Management Units F14, F26, P19, or P21.
